# OPEN TO JUNIORS & SENIORS ONLY!

## REGISTRATION DEADLINE -- TODAY

GRAND CANYON  
UNIVERSITY™

FIND YOUR PURPOSE™

You're Invited to HSET!  
Registration Now Open!

STEM fields are the future - and Grand Canyon University is leading the way! With a new state-of-the-art engineering building plus a variety of expanded technology programs, we are making a huge investment in the world's fastest-growing fields. Now, we're inviting all teachers, students, parents and leaders to join us for an incredible day of technology learning and fun.

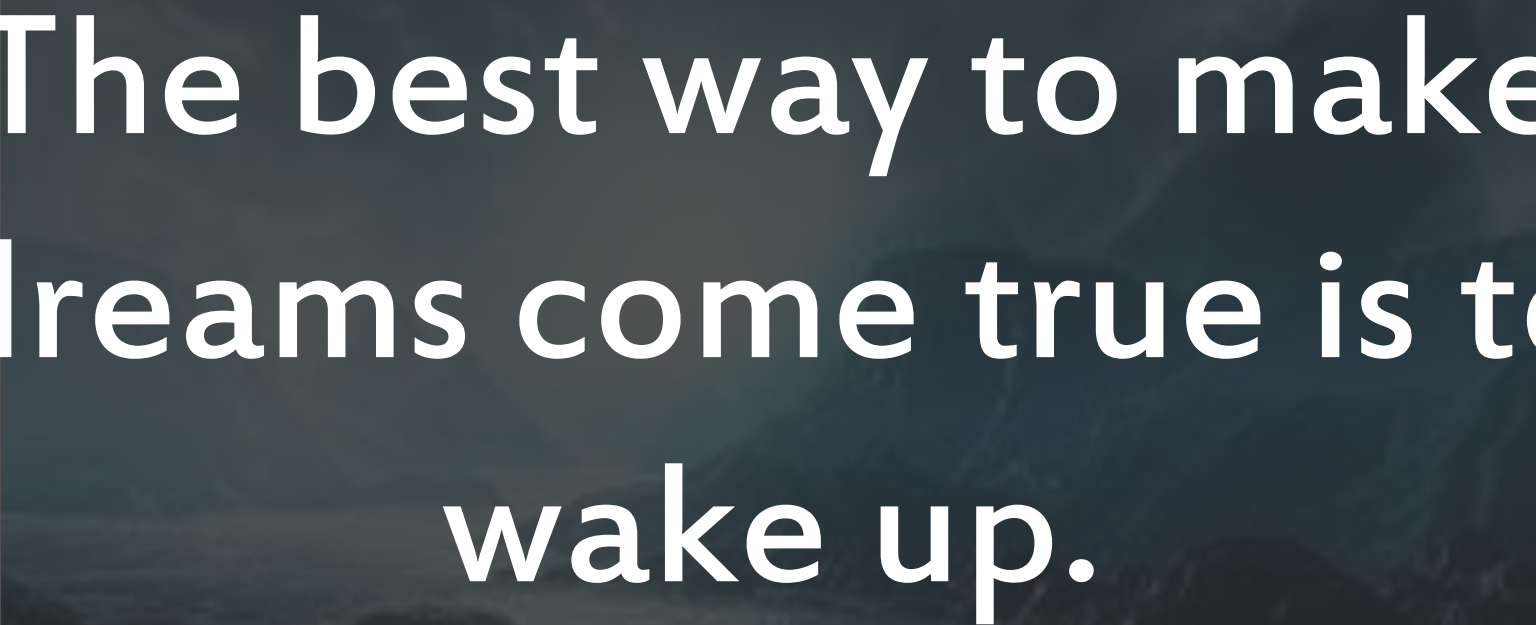

Health Sciences, Engineering and Technology Day  
Wednesday, Nov. 15, 2017  
7 am - 1 pm

- HEAR from speakers working in various STEM fields
- ATTEND interactive presentations and live demonstrations
- TOUR GCU's science labs, including human anatomy, nursing and DNA
- PARTICIPATE in hands-on activities
- LEARN MORE about new STEM programs at GCU
- FUN activities and networking

Sign up today to attend this fun field trip!  
Open to ALL Juniors and Seniors only.  
Two permission slips\* and fees are due  
FRIDAY October 6, no exceptions!  
Cost: \$10.00

Field Trip Time: 6:15am — 1:45 (Bus  
leaves HCLC at 6:15 am)

\*One permission slip for HCLC AND one  
permission slip from GCU must be  
completed and handed in no later than  
**FRIDAY October 6!**

The best way to make  
dreams come true is to  
wake up.
